

Wedding Album

Here in this section, you will get a good idea on how professional and well respected Make-Up By Samantha is regarded.

These images in the gallery represent only a small amount of our past clients, we feel once you see the level of service we provide, and the outstanding professionalism, you too will become one of valued clients.

Many of our clients come back time after time due partly because we LISTEN to what our clients want, and advise them accordingly.

With so many years in the beauty and make up industry, we have an immense amount of tips and advice for our wonderful clientele to help them in every day life, not just those special events that crop up.
